In the treatment of *Vitamin C & Vitamin B-complex deficiencies* right choice is

Tablets

C PLEX FORTE

CONTAINS : Calcium Pantothenate 5mg, Biotine 260 mcg, Niacinamide 75 mg, Vitamin B110mg, Vitamin B2 10 mg, Vitamin B6 3 mg, Vitamin B12 15 mcg, Vitamin C 100 mg Nicotinic Acid 25 mg

MRP Rs.
96/-

PACKING : 20 X 20 IN ALUMINIUM STRIP PACK

C Plex Forte Tablet Ingredients and Benefits

- **C Plex Forte** Tablet contains a combination of Vitamin B-complex, including thiamine (B1), riboflavin (B2), niacin (B3), calcium pantothenate (B5), pyridoxine (B6), biotin (B7), folic acid (B9), cobalamin (B12) and Vitamin C.
- **C Plex Forte** contains Vitamin B complex: These vitamins are vital for the normal functions of muscles, nerves, blood cells and eyes. They help in decreasing anemia and also promote good heart health. It also helps in reducing tiredness & fatigue. It protects the cells from oxidative stress and thus keeping your skin, hair and nails healthy.
- **C Plex Forte** contains Vitamin C: It is also known as ascorbic acid. It is an excellent antioxidant and immunity booster vitamin. It helps in wound healing by promoting collagen synthesis and improves iron absorption. It is crucial for the growth, development and repair of body tissues.

Uses of C Plex Forte Strip of 20 Tablets

- **C Plex Forte** Tablet is used to treat Vitamin C and Vitamin B-complex deficiencies.
- **C Plex Forte** Tablet is used for a healthy immune system and boosting energy levels.
- **C Plex Forte** Tablet is used in preventing and treating different forms of anemia.
- **C Plex Forte** Tablet is also used as a supplement when vitamin requirements of the body are high, such as in nutrient malabsorption, after surgery, during pregnancy and lactation.

For iron, folic acid and zinc deficiencies during pregnancy, breastfeeding, as well as after surgery or in conditions of nutritional malabsorption go for all new

Tablets **FERROBEST XT**

Ferrobest XT is having XTRA advantages with below ingredients

Ferrous Ascorbate 100 mg, L-Mythylfolate 1000 mcg, Methylcobalamin 1000 mcg, Cholecalciferol 1000 I.U. Zinc 22.5 mg

MRP Rs.
160/-

PACKING : 10 X 1 X10 Tablets in a pink colour aluminum strip with mono carton.

Uses

Ferrobest XT contains the below mentioned components, which have the following uses:

Ferrobest XT is used to treat or prevent a lack of nutrients which may occur in certain health conditions (e.g., anemia, pregnancy, poor diet, surgery recovery)

Ferrobest XT Contains Ferrous Ascorbate is an important mineral that the body needs to produce red blood cells

Ferrobest XT Contains L-Methyl Folate is needed to form healthy cells, especially red blood cells. Women of childbearing age should maintain adequate amounts of folic acid either through diet or supplements to prevent spinal cord birth defects.

Ferrobest XT Contains Methylcobalamin is a dietary supplement required to make red blood cells in the body

Ferrobest XT Contains Vitamin D3 (Cholecalciferol) deficiency is thought to be common among pregnant women, particularly during the winter months, and has been found to be associated with an increased risk of pre-eclampsia, gestational diabetes mellitus, preterm birth, and other tissue-specific conditions.

Ferrobest XT Contains Zinc is essential for immune function, wound healing, blood clotting, thyroid function, proper vision and for proper growth and development during childhood, adolescence and pregnancy. Deficiency in pregnancy can lead to preterm delivery, low birth weight and malformations in the baby
