ABOUT BIOCRROSS CHEM LLP

BIOCRROSS is one of the leading Indian Pharmaceutical company and going to offer a wide product portfolio of Tablets, Capsules, Liquids, Ointments, Proteins, Injectable and many more..

OUR HISTORY

With a history of working in the pharmaceutical industry for over 28 years, BIOCRROSS has an unmatched positive reputation for the development, manufacturing and marketing of medicines. We pride ourselves on a commitment to operate to the highest quality standards. We create and supply products that add value to healthcare, delivering excellent customer service and offering a comprehensive portfolio of products in the business segments in which we operate.

OUR STRENGTHS

- We follow standards of professionalism and business ethics.
- Dedication and determinations towards the quality of the products.
- Good customer network and always reachable.

OUR VISION, MISSION & PHILOSOPHY

- Health care to all
- To be ranked as one among the top pharmaceutical players in India
- Spread the happiness to all
- Think beyond

OUR COMMITMENT .

We take that responsibility very seriously from packaging to distribution, all through our supply chain, we're focused on making our medicines accessible to healthcare professionals . We follow the highest standards of quality and safety are applied throughout the manufacturing and packaging process.

BIOCRROSS CHEM LLP is strategically situated in India at Bengaluru.

Our supply chain processes and world class warehouse facility is having the expertise to handle distribution and supply chain impeccably and is fully supportive to deliver seamless supplies of medicines catering the entire India.

BE WITH US

With the health and wellbeing of patients at the centre of everything we do, we enthusiastically embrace collaboration with our channel partners to help fulfil the requirements of unmet medical needs.
